Our VIP lounges located at Terminal 2, Jomo Kenyatta International Airport.

Every discerning traveller looking for luxury, convenience and an effortless journey will find it at our Lounges.

## HANDLING

Our ground handling operations reflect a vibrant synergy between highly trained staff, the latest equipment and aviation technology that make us the best service provider in all the stations that we are present

## MEET AND ASSIST

Are you in Kenya for business or leisure? Are you fed up with long lines and long waiting times going through the various airport processes? Tradewinds Karibu Meet and Assist Service is the solution to fast-track you through these processes, whether arriving, departing or transiting through the major Airports in Kenya

## TRAINING

Established in 2006, Tradewinds Training Services is the only Aviation Ground Handling School in East and Central Africa, offering in-house and off-site training. To address the huge potential that exists in inducting young Kenyans seeking to build careers in the aviation industry
